It's *"a must-see for any Pink Floyd enthusiast!"* (C-News, Northampton, MA)

Without Question, Pink Floyd remains one of the most influential rock bands of all time. **PFX - THE PINK FLOYD EXPERIENCE** is described as a full on sensory assault celebrating the music, the themes, and the innovation that this great band brought to fans around the world. In keeping with this tradition, **PFX - THE PINK FLOYD EXPERIENCE** is equipped with 6 outstanding musicians, interpretive videos, plane crashes, the flying pig, and bulb man— it's all there, LIVE! Touring for more than 10 years, this is the show for the ultimate Floyd Fan, and it gets closer to the true Pink Floyd concert experience every year!

Packed with a spectacular light show designed by world class lighting designers that have worked with some of the biggest artists out there and an incomparable sound system, PFX fans keep coming back for more. The icons that Pink Floyd made their own have all been incorporated into **PFX - THE PINK FLOYD EXPERIENCE**. From live visual and sound effects of plane crashes, helicopters, and cash registers in Money, fans are left wanting more while the show finishes with a 12 foot pig blimp that flies over the audience and balconies in a final salute to one of Pink Floyd's most prevalent image.

Today, years since their last live performance, **Pink Floyd's** appeal continues and spans the generations. Their shows were described as theatrical with mind-blowing lights and unsurpassed sound. You'll have the chance to close your eyes and take it all in while hearing some of **Pink Floyd's** greatest hits including such favorites as "Money," "Wish You Were Here," and "Comfortably Numb".

Some Floyd Facts: More than 200-million albums have been sold since 1967. Four Grammy nominations in the '70s, '80s, and '90s. They were one of the first bands to use pyrotechnics, video, and light shows in their stage acts. They were inducted into the Rock and Roll Hall of Fame in 1996. "Dark Side of the Moon" broke all chart records when it stayed on the Billboard Top 200 Album charts for 741 weeks. It stayed there from 1973 to 1988. Nearly 1,000,000 Pink Floyd catalog albums are sold each year worldwide.
