

The “western” has been a theme in cinema since movies began. Heroes to many a movie-goer during the Forties and Fifties were known as the “Singing Cowboys” – smooth-voiced bronco-riding defenders of truth and song. The list includes Tex Ritter, Roy Rogers, Gene Autry, Jimmy Wakely, Herb Jeffries (The Bronze Buckaroo), Dale Evans, Bob Nolan and the Sons of the Pioneers, Bob Wills, The Riders of the Purple Stage.

Dan Hick & the Hot Licks, along with other musical friends, will pay tribute to these performers and their songs including, among others, “Don’t Fence Me In”, “Back in the Saddle Again” and “Cool Water.”
