**California Guitar Trio Seminars and Workshops:**

The California Guitar Trio offers guitar oriented workshops and seminars for musicians and aspirant musicians of all levels of experience, even no experience at all! From intimate, hands on guitar workshops to demonstrations and discussions for larger audiences, the CGT finds a way to include everyone. The guitar workshops can focus on fundamental guitar technique, use of right and left hand, and playing guitar in the New Standard Tuning. Demonstrations and discussions share the experience of over 21 years of CGT touring and working together as a group.

Topics can include:

- ...On the road with the CGT
- ...Working within a group
- ...Group rhythm
- ...Group dynamics
- ...Listening
- ...The roles of the audience at a music event.

Please contact the CGT's Artist Representatives at 608.664.8160 if you are interested in group and personal instruction by the CGT.
