

# The Sweet Remains

**ANNOUNCE FIRST 2017 TOUR DATES;**  
Listen to songs from "Night Songs" here ([Click here](#))

**USA TODAY twice features tSR as "Listen-Up" pick-of-the-week, praising band's "sumptuous 3-part harmonies."**

**BOSTON HERALD: "Its been a long time since 3-part harmonies this lush were yoked to songs this melodically gorgeous."**

## **20 MILLION PLAYS on SPOTIFY**

After the tremendous "viral" spread of their music in 2016, including the rare mile-stone for an all-indie band of nearly **20 Million plays on Spotify**, The Sweet Remains are excited to present live-takes of songs from their three studio albums to date (the latest, NIGHT SONGS, can be sampled [HERE](#)). Founders, **Rich Price, Greg Naughton & Brian Chartrand**

MORE ABOUT **THE SWEET REMAINS** (tSR): An unusual band on today's music scene, tSR is headed by 3 singer-songwriters, each of whom contribute to the writing and 3-part harmonies that define the band's sound. Driven by strong lyrical and melodic writing, their songs easily appeal to fans of modern folk-rockers such as Ray Lamontagne, and John Mayer. However, it is their lush harmonies that distinguish tSR from the throngs of guitar-toting troubadours and harken back to the so-called "super-groups" of the 60's and 70's like CSN, the Eagles, Simon & Garfunkel.

It was a chance jam session in a Rhode Island hotel room in 2007 that convinced **Rich Price, Greg Naughton & Brian Chartrand** to form The Sweet Remains. They instantly recognized a musical blend and kinship that would eventually overcome the challenges of solo-careers and geography (they reside in VT, CT and AZ respectively) and set about writing their first album together "Laurel & Sunset", which was released in 2008. They've since released 3 studio albums together, a live DVD & CD, toured all over the U.S. and Europe, and just finished principal shooting for a forthcoming feature film due out in 2017 that is loosely based on their experiences together and in the music business.

In 2014, their music started to gain traction with online music-sharers and major streaming services, and has since racked up almost 20 Million Spotify plays (over 325,000 monthly listeners) and garnered this little indie-band fans from all over the globe.

MORE ABOUT GREG NAUGHTON: Hailing from a family of actors (including dad, James Naughton, and wife, Kelli O'Hara), Greg started out as an actor and director, founding the Obie-winning off-bway Blue Light Theatre Company ([wikipedia](http://wikipedia)) where he served 6 seasons and 16 main productions as Artistic Director. He left to focus on music, releasing his first solo-record "DemOgogue" co-produced by the late Phoebe Snow. He wrote and directed the forthcoming feature film "The Independents" loosely based on his experiences in and with The Sweet Remains. <http://www.imdb.com/title/tt4990954/>

**MORE ABOUT BRIAN CHARTRAND:** Brian grew up in South Hadley, MA, but has spent most of his professional life based out of Phoenix, AZ. He has released 10 solo albums to date (the latest being “Worth The Fight” 2014) and when not working with tSR, Brian’s solo work and other musical projects keep him performing some 200+ shows per year across the U.S. & Europe.
