

"Fantastic! A near-capacity crowd cheered, clapped, sang along, and showed their appreciation with a full standing ovation. I would be remiss if I didn't pass along our appreciation for the professionalism, kindness, and all-around conscientious demeanor of the band... advanced the show with clear and organized information, and each band member was friendly and great to host"

– Ronda Billerbeck, Cultural Programs Manager - Kent Arts Commission (WA)

"Opening our seventh season of Guitar Masters, we thought it would be a welcome change to invite Live From Laurel Canyon for a show – at the world-famous Buck Owens' Crystal Palace, no less! The music and stories brought back so many memories from the more than 400 fans that night. Above that, the band could not have been more pleasant and accommodating.

True professionals who know their audience and definitely know how to please!

Looking forward to hosting LfLC again in the future."
