

ONES SHOW DESCRIPTION

“The most exciting Beatles music presentation in decades”

Ones presents the 27 unforgettable Beatles number songs that topped the charts for seven consecutive years, from the Ed Sullivan show to the Apple rooftop

On the big screen, the hits are woven together with a narrator that adds ‘behind the scenes’ back-stories, and a special presentation of backdrops that include hundreds of photos and videos.

On the big stage, 13 top shelf performers faithfully recreate the sounds and note perfect performances of the original records, with period correct instruments and complemented with an orchestra.

This one of a kind presentation is for Beatles fans of every generation.
